- **Courses must be a minimum of 3 semester credit hours to fulfill a program requirement.**

How to Use this Sheet

- This sheet includes the general requirements for the College of Liberal Arts.
- For set course requirements (i.e. English 101), the Bunker Hill Course requirement is listed on the sheet. For distribution requirements, students can select from a list of available courses. Simply select "Arts" on the planning sheet and you will be brought to a section with all the available art courses.
- Students are also encouraged to use our Transfer Course Database, **Transferology**, to match UMass Boston courses with your current institution. Fill out the "Bunker Hill Course Code" section with courses you have already taken or plan to take before enrolling at UMass Boston.
- Make sure to review the "Waivers" section at the bottom of the sheet to see if you are eligible to waive any requirements.
